Mini-Newsletter of the Austro-American Association of Boston

January 2004

Dear Members and Friends!

With all the best wishes for a safe, happy, and healthy New Year!!

The New Year got off to a wonderful start for those A-AA members and friends who were lucky enough to attend the "Salute to Vienna" concert on January 4th at Symphony Hall. With beautiful music and dancing it was a very uplifting and true Viennese experience and is a real credit to the organizers, Attila and Marion Glatz. It is already earmarked in our calendars for next year.

Please see our program schedule below for the winter and spring, culminating with our 60th Anniversary celebration in May. This gala event is now in the extensive planning stages and is our focus for our major spring event. We will skip one Stammtisch in March and May and are finalizing our plans for April.

On a completely different point, I am very happy to see that our website is being visited frequently to get information about our association and related matters. Our webmaster, Christian Donner, has to be commended, along with many compliments from our readers. Take a look, it's a quick way to see what's going on!

www.austria-boston.org

Looking forward to seeing you soon,
Traude Acker
