Newsletter of the Austro-American Association
February 2025

Dear Members and Friends,

The Board of the A-AA and I wish you all the best for the New Year!

In planning our events for the next months, I asked our Board to help me come up with ideas for possible events. I received three great suggestions and when they were followed up, produced fantastic results for programs. One of these you will see in May and the others will follow in a few months. Thank you, Johann, Joy and Marianne.

Now I will ask YOU, dear members and friends, to think of events that YOU would like to attend. Any ideas, such as a person who could perform for us, would all be appreciated. Let's work on our programs together!!!

I hope you will enjoy our selections, and I am looking forward to seeing you at these events.

Traude Schieber-Acker, President
